

Stage-Marquee Packages

One of our greatest competitive advantages is our complementary provision of marquee hire. A vast majority of events require staging and marquees.

We have the ability to easily combine these two products into tailored packages that will meet your needs, cost effectively and efficiently.

Our popular packages are:

- Small Size - Stage 6m x 3.6m with structural marquee 6m x 3m erected on stage
- Medium Size - Stage 6m x 7.2m with structural marquee 6m x 6m erected on stage
- Large Size - Stage 9m x 7.2m with structural marquee 9m x 6m erected on stage

We can either build a marquee on top of a stage, or a stage inside a marquee.
