

Events

Statewide Staging Systems supply infrastructure and professional services to a variety of events such as:

- Festivals.
- Concerts.
- Sporting events.
- Corporate functions.
- Private Functions.

With our custom fabrication and manufacturing capabilities we can build to suit your application or your budget.

Statewide services the entire state of Western Australia and we will happily provide you with a quotation for touring systems or permanent installations.

We believe in quality, safety and certainty in delivering our products and services and our reputation has been built on these beliefs.

If you want a cheap product there are plenty of contenders who'll take your money.

If you want it done right we are the one and only West Australian Solution.
